Pediatrics Symposium 4.0

by the

American Mission Hospital, Bahrain

Building on the resounding success of the three symposia held in November 2023, April 2024 and September 2024, the **Pediatrics Symposium 4.0** aims to bring together leading experts, health-care professionals, and industry representatives to advance pediatric healthcare and promote knowledge exchange.

This time, it is organized in collaboration with **IAP (Indian Academy of Pediatrics)**.

This symposium provides a unique platform for attendees - whether doctors, nurses, lecturers, students or even government regulators in pediatrics - to connect, collaborate, and explore innovative solutions in the field of pediatrics.

Around **250 participants** are expected to participate in this event. It could be of special benefit to commercial entities such as manufacturers, distributors, suppliers, and providers of childcare products and services.

Event : **Pediatric Symposium 4.0**
Theme : *Global Perspectives, Local Impact: Advancing Pediatric Care Together*
Date : **24 November 2024 (Sunday)**
Timings : 8:00 AM to 3:00 PM
Venue : King Hamad American Mission Hospital Auditorium, A'Ali

Opportunities of Sponsorship
